

Directions to Camp Northstar At Camp Quinipet

Camp Northstar
76 Shore Road
Shelter Island Heights, NY 11965

In order to get to Shelter Island you must take a ferry from either Greenport or Sag Harbor. The ferry leaves every 15 minutes and no reservations are required. The cost is between \$10 and \$15 round trip; depending on the number of people in the vehicle. Below are directions from both the North Fork and South Fork.

Directions from the North Fork (Greenport):

Take the Long Island Expressway (495) to the end. Continue straight (Route 58). Follow the signs to Greenport (Route 58 becomes Route 25 East). Once in Greenport, look for signs to the Ferry or to Route 114 South. Take the Ferry across to Shelter Island. From the Ferry proceed south on Route 114 approximately 1 mile to West Neck Road (sign for Crescent Beach), Route 114 makes several turns-watch the signs. Continue straight to the beach, follow beach to far end the entrance to the camp is on the right.

Directions from the South Fork (Sag Harbor):

Take Sunrise Highway until it turns into County Road 39. Continue north onto Sandy Hollow Road (exit 8) to North Sea Road. Then to Noyack Road; then left at Waterside onto Long Beach Road (turns into Route 114 at the traffic circle). Take 114 to the South Ferry. Take the ferry to Shelter Island and continue north on Route 114 (South Ferry Road) approximately 3 miles. Turn left onto West Neck Road which is about ½ mile past the IGA Grocery Store. Then proceed to a four-way intersection, continue straight ahead to the beach, the road forces you to the left and 1.5 miles down the road to the end of beach, the camp entrance is on the right.

When you arrive at the ferry inquire about purchasing a commuter pass for the week. If available this will be cheaper than just purchasing round trip fares.
