## Our Mission

Camp Northstar's mission is to provide persons with developmental disabilities, both overnight, day and weekend camping experiences that combine athletic, recreational and social activities intended to enrich their lives and increase their life skills. Camp Northstar provides athletic training emphasizing fun and the joy of sports and leisure as well as the development of new skills and teamwork. The range of activities also promotes the physical, social and emotional development of each camper so they may become more independent, productive members of the community.

## Virtual Walk

Means you can walk, jog, skip or run the distance your choice. You can complete your race at the gym on a treadmill, a practice run in town, a stroll in the park, or another local racing event. Camp Northstar believes in the honor system no proof of completing the walk is required. Just bring your sponsorship money to the park, pick up your shirts and enjoy the celebration of 20 years of Camp Northstar.
