OUR MISSION

Camp Northstar's mission is to provide persons with developmental disabilities, both overnight & day camping experiences that combine athletic, recreational and social activities intended to enrich their lives and increase their life skills. Camp Northstar provides athletic training emphasizing fun and the joy of sports and leisure as well as the development of new skills and teamwork. The range of activities provided by Camp Northstar is intended to promote the physical, social and emotional development of each camper so they may become more independent, productive members of the community.

Camp is staffed and run completely by volunteers and 100% of every donation goes directly to the camp program.
