To Physicians: We know how valuable your time is and know that you also appreciate the increasing complexities we face at camp in dealing with campers’ medical needs. We would appreciate you filling out this form to facilitate the treatment of our camper who is your patient. Below is a list of medications used in the infirmary for which we have standing orders from our local physician.
Please indicate the medication you would want (or not want) our medical staff to dispense if needed. Please use the additional medication form for any medication; prescription or OTC that the camper will be bringing to camp. Thank you for your cooperation in completing this form.
