Dear Parent/Guardians:

In order for your Camper to participate in any swimming activities while at Camp Northstar we must have written permission, please complete this form and return it to me in the enclosed envelope. Campers who wish to and have permission to swim will be able to swim regardless of swimming ability. Program and supervision modifications will be made to insure the safety of each Camper and to meet their individual needs.

If your camper is not allowed to participate in any swimming activities please indicate that on this form and return it to me.

Thank you for your cooperation.

Sincerely,

Linda Arminio
Camp Director
